

Picture Communication Mat – Adult Prompts

Adult led prompts for:

Toilet

Listen

Look

Sit down

Line up

Stop

Yes

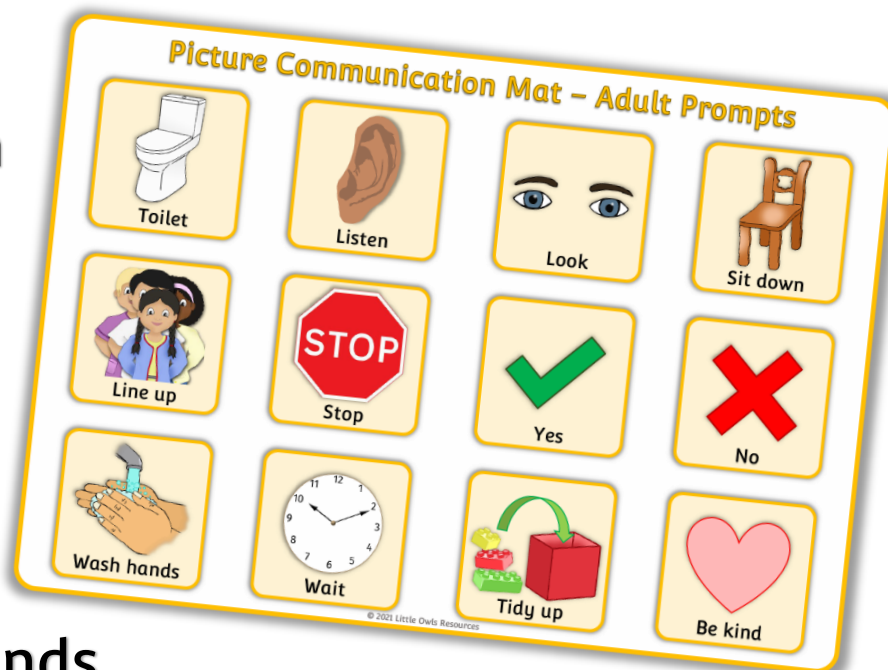

No

Wash hands

Wait

Tidy up

Be kind

This mat can be used to aid non-verbal communication. It is intended for use by an adult as a way of asking a question (*“Have you washed your hands?”*) or making a statement (*“Wash your hands please.”*).

N.B. When introducing this mat to the children it may be useful to reinforce the link in their minds by showing real life actions to correspond with the pictures. For example ‘Sit down’ – demonstrate with someone sitting down.
