# Autumn Walk writing prompts

These writing prompts will help encourage mark-making and writing after the children have been on an autumn walk with all the interesting sights, sounds and smells that entails.

The sheets cover an ability range from first mark-making up to full sentence writing.

What can you see on your autumn walk?

The first sheet is intended to allow open ended recording of the autumn walk by the child. An open space for marks, drawing and labelling as they recall their experiences.

Later sheets encourage writing using blending and offer some scaffolding towards greater difficulty and independence.

**We hope these sheets are useful to you!**
