

# Beach Scavenger Hunt

## Checklists

These checklists are to promote mindfulness and awareness of surroundings when in a beach setting.

This activity is intended to help children engage their senses to better notice and appreciate the environment around them.

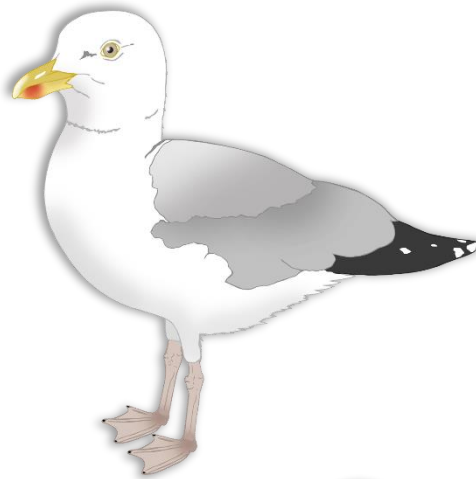

The image shows two overlapping beach scavenger hunt checklists. Each checklist has a yellow border and a title 'Beach Scavenger Hunt Can you find...?' at the top. The left checklist includes items like 'Something on a rock', 'A bird', 'Something you can smell', 'Something you can hold with one hand', 'Something brown', 'Something you have never seen before', 'Something that makes a sound', 'A tiny animal', and 'A pebble'. The right checklist includes items like 'An animal with a hard shell', 'A fossil', 'Something delicate', 'Something yellow/orange', 'Something very small', 'A mermaid's purse (Egg case)', 'Something that moves', 'Something that grows', and 'A rockpool'. Below the checklists are several empty boxes for recording findings, with labels like 'Seaweed', 'Large shell', 'Minibeast', 'Waves', 'Small shell', and 'Rockpool'.
