# Caretaker

**I'm a caretaker.**  
I work at a school. I fix things that get broken or are not working properly. It is my job to make sure the school grounds are safe and ready for the children and teachers to enjoy their day!

I have a big set of tools ready for anything that might need fixing!

# Caretaker

If there is a dangerous spillage, I am ready with my mop!

I use a broom to sweep up anything that might be dangerous.

I am in charge of locking and unlocking the school with my keys.
