

Dinosaur Dice Game

***1-6 dice required**

(Cut out and laminate the Dinosaur pictures beforehand.)

- There are two sets of six puzzles. One with dots to count, one with numbers to read.
- The game could be played individually or as part of a turn-taking game.
- The different pictures are also colour coded to help when playing in a group.
- Roll dice and take the piece with the corresponding number.
- Keep going until you complete the picture!
