# Librarian

**I'm a librarian.**

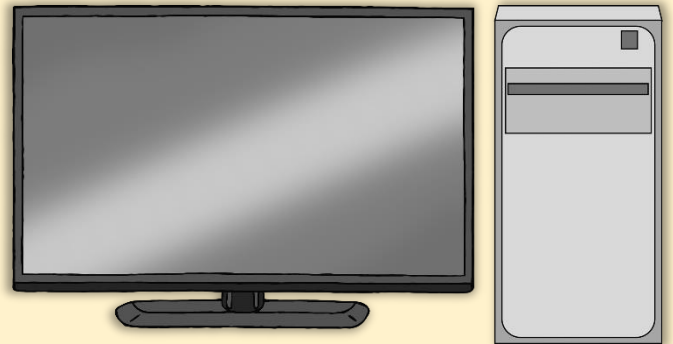

I work at the library, organising books so that they are easy for people to find. I recommend good books that people might enjoy, and I help people find information using the books and internet.

I organise books of many different types.

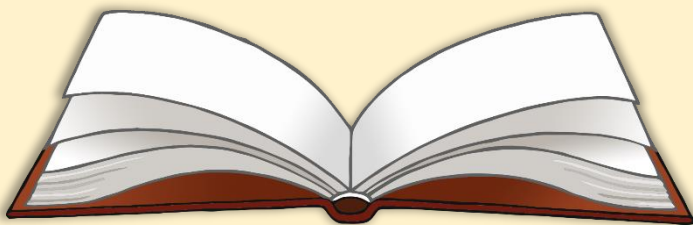

# Librarian

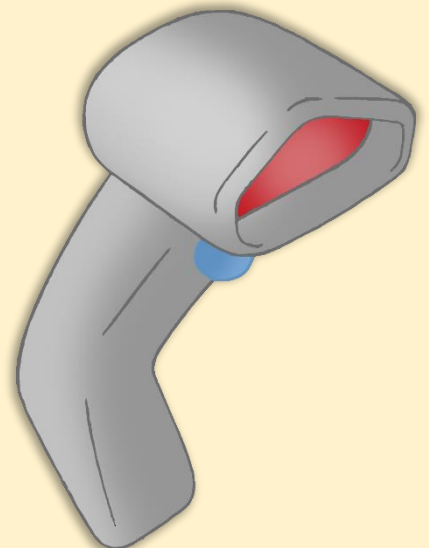

I use a computer to check which books are at the library.

I read stories to children that visit the library.

I use a scanner to check books in and out of the library.
