

'End of Year' booklet

This booklet is for children to complete as they come to the end of an academic year or their time at a particular setting.

There are prompts at the top of each page to spark ideas as the children think back over their experiences.

This pack makes up a ten-page booklet (including the cover sheet). There are versions on each page with lines for writing and versions with blank boxes. It is intended that you print only the pages you require to make up your booklets.

p2: Cover sheet

p3–11: Plain boxes with no lines

p12–20: Includes lined boxes for writing
