Paramedic

I'm a paramedic.
My job is to help people who are badly hurt or seriously ill.
If they need extra help, I transport them quickly and carefully to a hospital where they will be cared for by doctors and nurses.

I use an ambulance to travel quickly to and from emergencies.

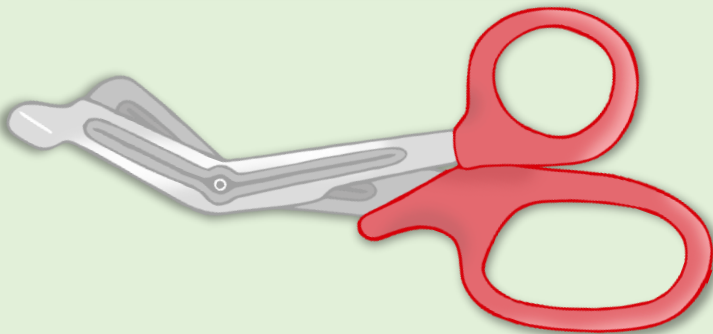

Paramedic

I use medical gloves when I am helping people.

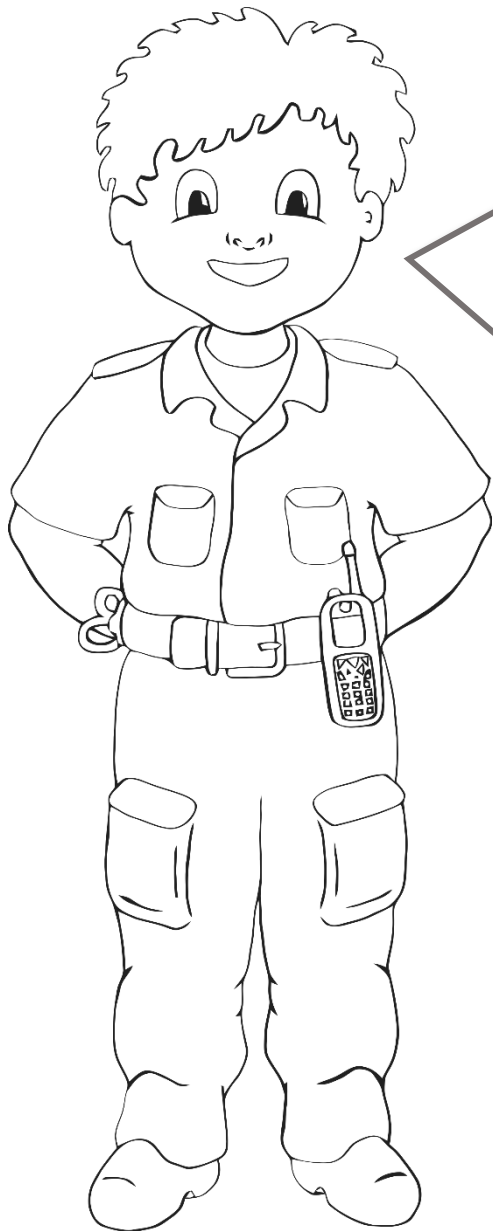

Sometimes I use medical shears to cut off clothing.

If someone is injured, I use a bandage to dress their wound.
