

Rocket Shape/Number/Memory game

2-4 Players

- Cut, fold and laminate the shape/number cards.
 - Place them on the grey outline board.
 - Each player to have a different colour rocket.
1. First take turns turning over a triangle to find the correct colour 5 to correspond with your rocket colour. If not the correct colour, turn back over.
 2. Then take it in turns to turn over the squares to find numbers 4,3,2,1 in the correct colour for your rocket.
 3. Finally find the correct 0 from the pentagons to win the game!

First find number 5 in your colour!				
Next find numbers 4,3,2 and 1 in your colour!				
				
				
				
Finally find your 0 and launch your rocket!
