

# Dice – Number Match Games (**Numbers 1–6**)

1–6 Players

Requires:

- One Dice
- 6 Counters per player (Shapes for laminating on p20–22 if needed)

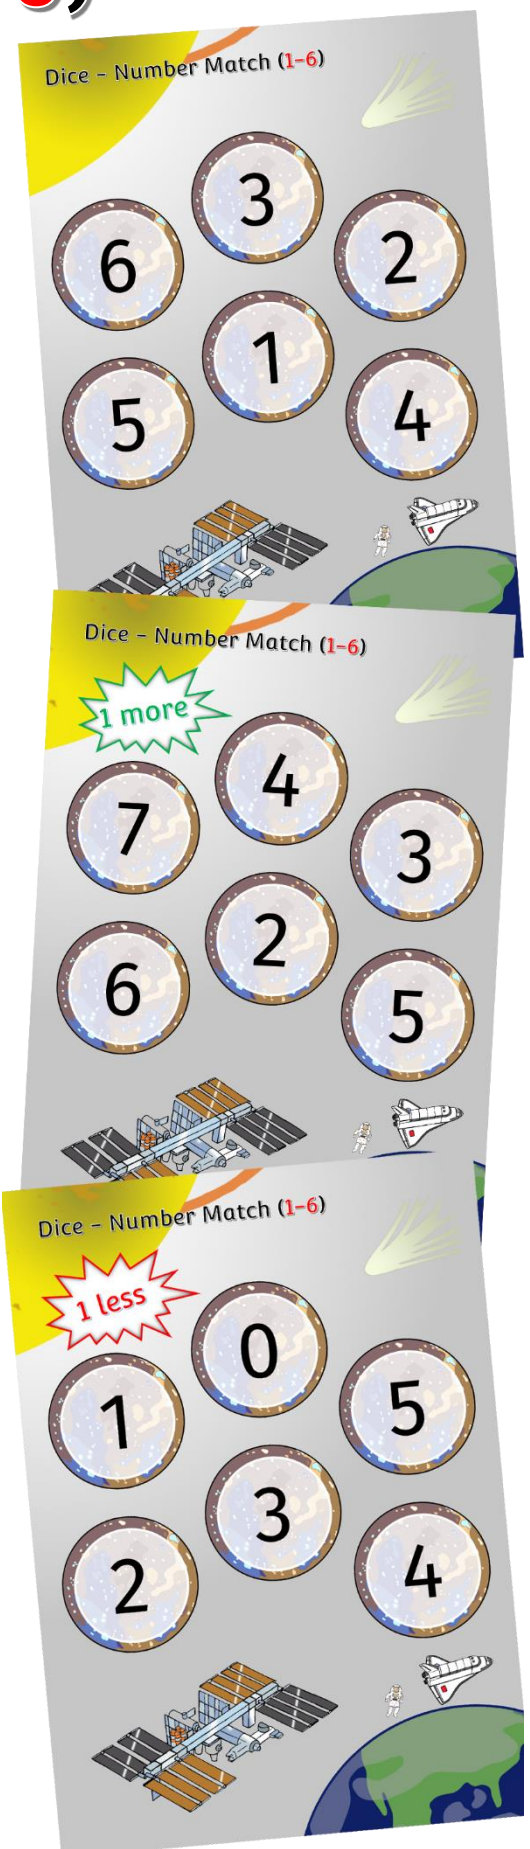

Instructions:

1. Each child to have a card in front of them.
2. Children take it in turns to roll dice, identify number and cover the correct numeral with a counter.
3. The first child to cover all their numbers is the winner.

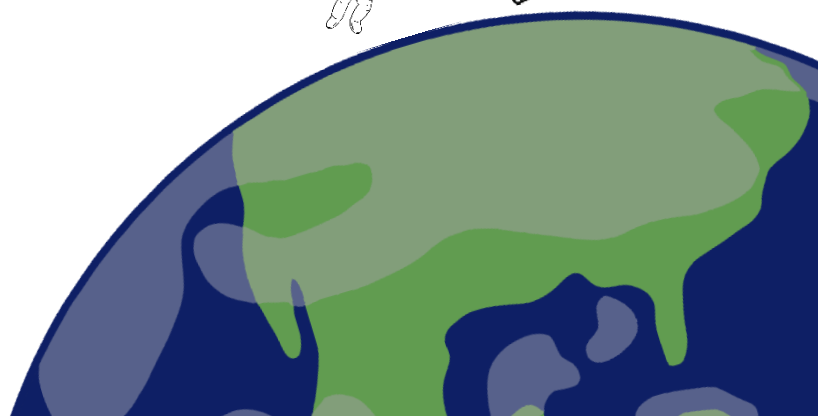

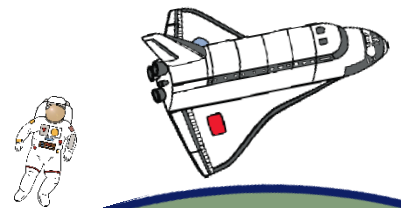

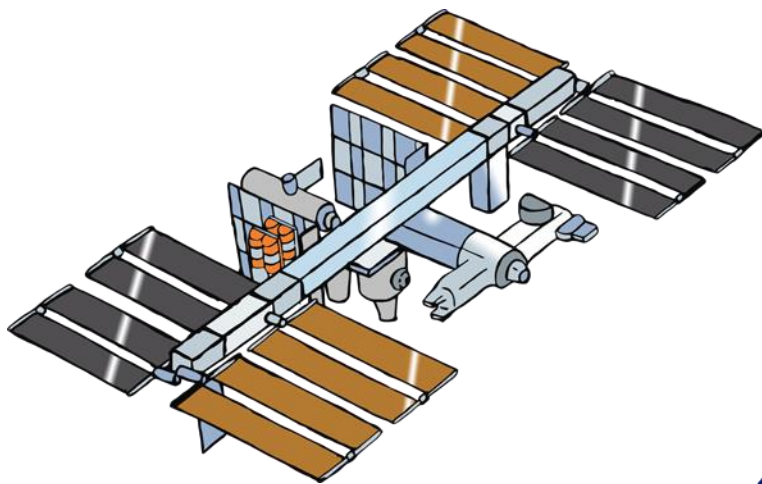

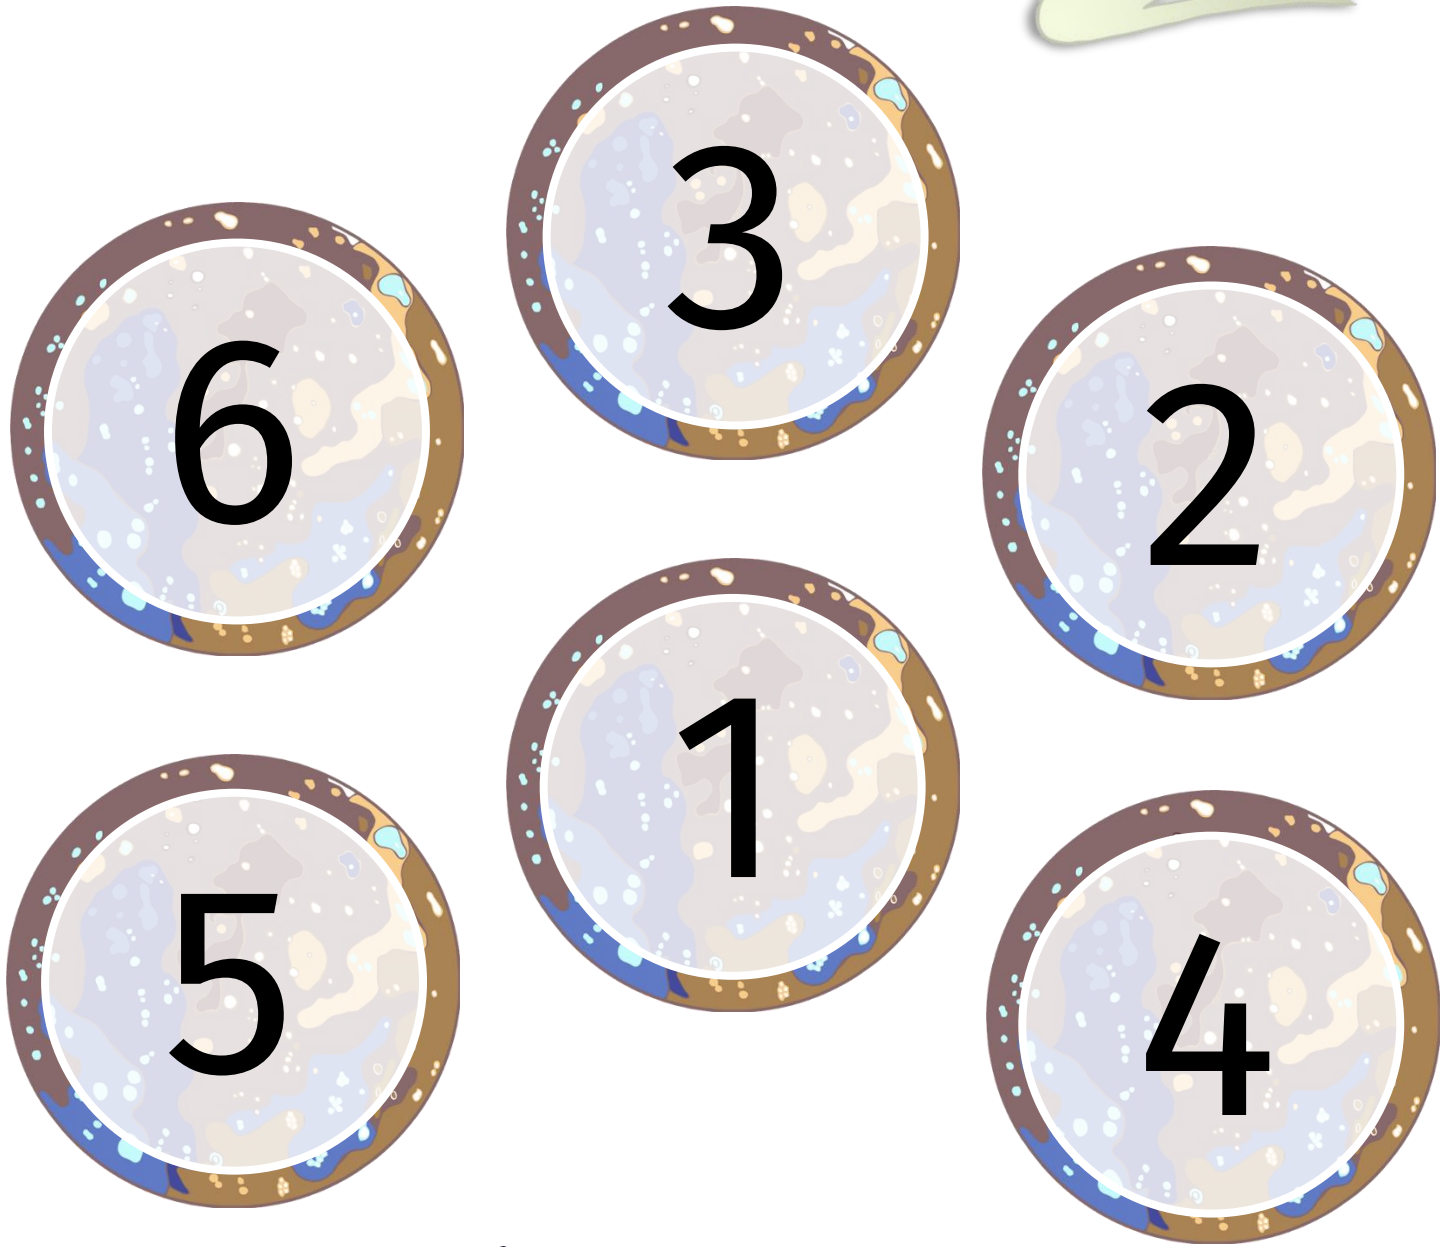

Extension sheets:

P8–13: Cover **1 more** than the rolled number.

P14–19: Cover **1 less** than the rolled number.
