Teaching Assistant

I'm a teaching assistant.

I work with a teacher to help children to learn and understand new things.

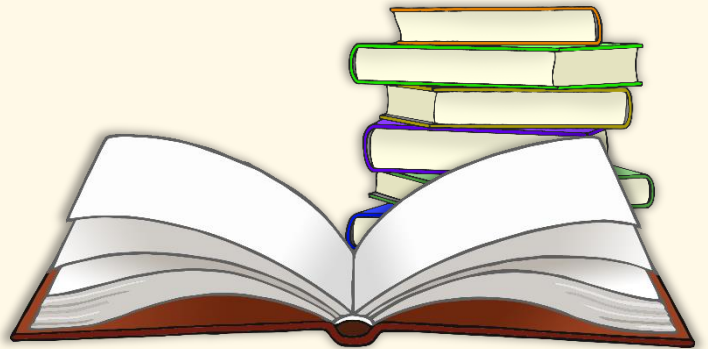

I might work with a small group to assist them with their work or maybe with just one child who needs my help.

I sometimes use puppets when playing and talking with children.

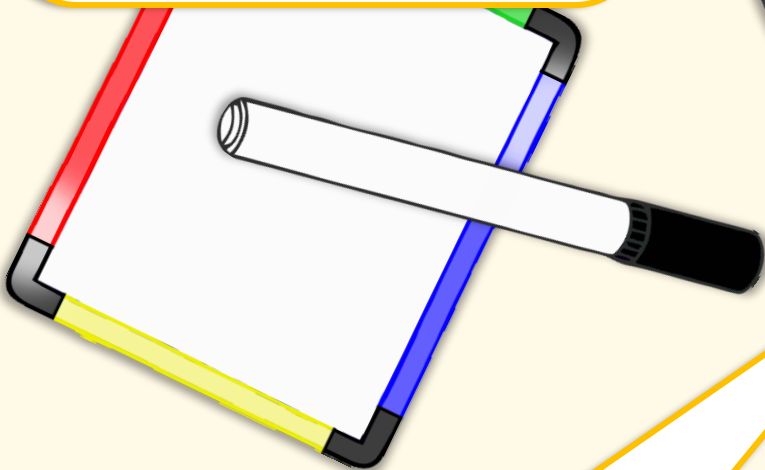

Teaching Assistant

I love to share books with children and hear them read!

I use a small whiteboard to help children's understanding.

I love to help children as they get creative with arts and crafts!
