# Vet

I'm a **vet**.

If an animal is sick or injured, I will do my best to help them feel better.

I know about lots of different types of animals and how to keep them happy and healthy.

I use a carry case to move animals safely.

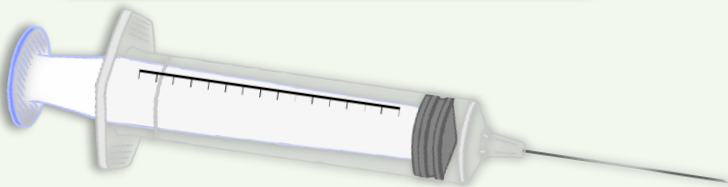

# Vet

I use different medicines to help animals that are sick.

Sometimes I use a syringe to inject these medicines into the animals.

If an animal has an injury, I will dress their wounds with a bandage.
